### Dear Parents/Caregivers

**New World Frozen Food Promotion:** We are getting behind one of our major school sponsors and supporting their current promotion of purchasing at least \$20 of selected frozen food products and handing in your till receipt. Many parents already purchase many of the selected items. Classes are currently holding a school wide competition to see which class brings along the most eligible dockets. The winning class will get to help decide how the prize gets spent and receive a free lunch. This is a **New World Waiuku** only promotion. Please help us to support this promotion by not only sending in your own dockets but collect your neighbours, friends and family who also shop at **Waiuku New World**.

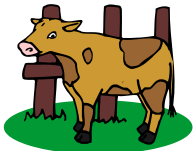

**Car Park Safety:** Thank you to all of our parents who have co-operated fully with requests to keep the drop off zone free and flowing, the morning drop offs have improved remarkably. The afternoons are still a little congested but the situation has been helped by parents choosing to park in Riverside Drive or a few metres further along Sandspit Road. Thank you to everyone who has helped to resolve this safety concern. We have three disabled parks, please keep these free unless you have a disability sign or have been given permission to use the parks. If there is a reason you feel that you might be entitled to use the disability parks please discuss these with me.

**Gala Day 2010: Saturday 6th November:** Planning is currently underway for this major school event. Over the coming months we will be requesting support and assistance from all of our school parents. Many parents have already put their hands up to support. If you have not helped before we would love you to take this opportunity and make 2010 the year you do. The more helpers we have the easier it is on everyone. We will be approaching parents on an individual basis but please don't wait for us to ask. Please contact the school office and leave your name if you are willing to help for a few hours either in the week leading up to the event or on the day itself. We are currently looking for old, chipped crockery for Smash Palace and BBQ tables. Please contact the office if you can help in any way.

### Sandspit Road School Calf Club: Thursday 14th October.

Now is the time to start getting your lamb, calf or goat in preparation for Calf Club 2010. Let's make this year the best year in terms of numbers of children participating.

Early Lambs and Calves are 1st July-12 August and Late Lambs and Calves 13 August-23 September.

Children need to take responsibility for feeding the animals within 4 days. We will circulate entry forms and rules etc closer to the event. If you live in town you can still raise a lamb or goat, they don't need that much space, so why not give it a go this year?

**NEW WORLD WAIUKU**

Sandspit Road School presents *The Jamestown Story*

Set in a time 400 years ago, the production is the true story of two cultures learning to live alongside each other, after a period of mistrust and hostility. The story focuses on the hardships faced by the Virginia colonists and the crucial roles played by Captain John Smith and a young Indian princess Pocahontas, in securing their survival.
