Dear Parents/Caregivers

We Won !!!

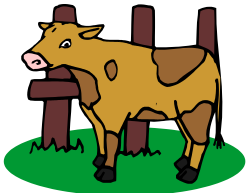

\$3000 worth of sports equipment. Thank you everyone who sent in their New World dockets with \$20 worth of frozen goods over the last month. When the final totals were divided by the number of students in each school we finished with an average spent of \$5.16 per student. In second place was View Road School with an average spend per student of \$2.18 and third place was Pukeoware School with \$1.38. Well done to Room 2 who won our interclass competition and who will be enjoying a Fish and Chip lunch today.

Thank you Lex and Karen Mills of Waiuku New World for being such supporting sponsors not only of our school but of the wider Waiuku community. Please continue to support Waiuku New World as a valued school sponsor.

School camps: Last week I had the good fortune to spend a day at the Year 7/8 camp at Tui Ridge in Rotorua. The weather was great and the children and parents were having a fabulous time (see the photos on page 2). Our children are very fortunate to be able to have such an experience every year from Year 5 on. My thanks must go to the Senior Syndicate staff (Daryl Green, Robyn McDougall and Bree Wood) whose organisation and efforts ensure that the children have a great experience and whose willingness to take responsibility for the children's care and safety for 5 days and nights is a big commitment. My thanks also to the fantastic group of parents that give their time so these camps are possible. Finally I would like to acknowledge our year 7 and 8 students for the way they took up personal challenges and whose behaviour was outstanding. I understand from feedback from the camp staff and our school parents that Sandspit Road School should be very proud of our students and the way they supported one another and were fantastic ambassadors for our school. Next week the Year 5/6's are away for four days at Chosen Valley- Ararimu. I'm sure they will equally enjoy their time at camp. We look forward to hearing from them when they return.

2011 New Entrant Enrolments: The Board of Trustees will be making a decision regarding the number of out of zone places available for 2011 at the next Board meeting. To help them get the numbers right it is very important to know how many **In Zone New Entrants we are expecting**. Please if you have a child due to start school anytime in 2011 and they are coming to Sandspit Road school we need you to complete an enrolment form now.

Calf Club entries: Entry forms for this years Calf Club can be picked up from the school office . Entries need to be in by Monday 20 September. **Get your lamb docked, castrated and vaccinated for free at the Franklin Vets Open day 11th September.**
